PROFESSIONAL DIPLOMA IN LEARNING AND TEACHING

STRATEGIC PARTNERSHIP

NON-MQA

INTRODUCTION

Education is an important vehicle for the development of human resources who can meet the needs of local, regional, national and global communities in order to progress, grow and maintain their identity. To achieve these, noble goals, current and aspiring educators need to equip themselves with the knowledge, skills, attitudes and talents as well as other competencies to become responsive and engaging in the Learning and Teaching (T&L) environment. This programme consists of 12 modules designed to provide participants with a comprehensive and integrated overview of the important aspects in T&L, including practical opportunities.

LEARNING OUTCOME

PL01

Demonstrates continuous and advanced knowledge and has the ability to develop or apply the latest educational advances in the context of new situation education.

PL02

Ability to plan and implement teaching and learning professionally, ethically and responsibly

PL03

Recognizes the need for continuous professional development.

PL04

Demonstrates the ability to be a professional educator effectively.
