DEVELOPMENT

by coursework

SEPTEMBER
Intake

INTRODUCTION

This MSc Counselling is offered by the Faculty of Cognitive Sciences and Human Development and is aimed to produce registered counsellors with:

- Competence in handling issues relating to individuals, organisations, families and communities.
- Professional, ethical and scientific thinking to improve quality of life and productivity in a variety of environments.
- Cultural practice through role helping and volunteering as a counselor, manager, consultant, mentor, coach and mediator.
- A tendency to engage in research-related problems in a variety of environments.

The curriculum is aligned with the Standards and Requirements of Training for Counsellors (2011) as set by the Lembaga Kaunselor (Malaysia).
