

**FACULTY OF ECONOMICS AND
BUSINESS**

BACHELOR IN **FINANCE** WITH HONOURS

**OCTOBER
Intake**

INTRODUCTION

The Bachelor in Finance with Honours programme produces highly analytical professionals who excel in collaborative work and international finance and business competitions. The programme offers a comprehensive understanding of financial systems and instruments, corporate structure and control, funding sources, strategic management, and investment mechanisms on both national and international levels, both theoretically and practically. Additionally, students gain invaluable insights into international financial institution operations, international business agreements, and transnational and multinational corporation behavior. Graduates of the programme possess practical skills in finance, ethical and professional conduct, leadership, effective communication, digital and data analysis skills, and an entrepreneurial mindset. They skilfully integrate complex financial and nonfinancial concepts and theories to provide effective solutions to complex finance problems, demonstrating a lifelong commitment to continuous development.
