INTRODUCTION

The DBA degree programme is a rigorous doctoral programme by coursework. It is specifically tailored to provide executives, professionals, and leaders in both private and public sectors with the opportunity to pursue a postgraduate degree beyond that of an MBA. The UNIMAS DBA is an extremely challenging yet highly rewarding level of education that ensures you are equipped with the most up-to-date knowledge in business research, theories, and trends. This positions you as an expert scholar-practitioner in your organisation. To achieve this, the UNIMAS DBA programme provides a team of experienced academicians and practitioners to guide you throughout your doctoral journey. The programme is based on a trimester system; October, February and June in an academic year. This programme is also offered in UNIMAS Learning Centres.
