INTRODUCTION

The CMBA programme presents an exceptional opportunity for individuals who aspire to advance their careers in business management and practitioners who aim to enhance their corporate administration and management skills and knowledge. The programme has successfully attracted a community of highly motivated students from diverse academic backgrounds and work experiences. Our team of experienced, dedicated, and qualified lecturers implements an innovative, application-oriented, and multidisciplinary approach to the programme. What makes CMBA stand out is its ability to merge the finest features of traditional MBA programme with contemporary elements that today's business and corporate managers demand. We are resolute in our commitment to continuously improve our programme to meet the ever-evolving needs and demands of the industry for sustainable growth. The programme is based on a trimester system; October, February and June in an academic year. This programme is also offered in UNIMAS Learning Centres.
