Introduction

CMBA – ODL provides opportunity for individuals to advance their career in business management and practitioners to sharpen their corporate administration as well as management skills and knowledge. The programme has attracted a highly motivated community of students from diverse academic backgrounds and working experiences. We bring together experienced, dedicated and qualified lecturers to ensure an innovative, application-oriented and multidisciplinary program. CMBA – ODL is outstanding because it has retained the best features of the traditional MBA combined with the contemporary features demanded by today's business and corporate managers. CMBA – ODL is committed to continuous quality improvement to accommodate the concurrent industrial needs and market demands for sustainability.

Duration of the Programme

CMBA – ODL is a master programme by coursework. Starting from September / October 2025, it is adopting a trimester system, in which there are 3 trimesters per year. For full-time students, the minimum duration of study is one year (3 trimesters) and there are 4 to 5 courses per trimester. Alternatively, there is a part-time study mode for students who opt for a slower and steadier pace of study. Part-time students take 2 or 3 courses in each trimester over a minimum duration of 2 years (6 trimesters). All classes, regardless of full-time or part-time mode, are held with open and distance learning methods.

Course Fees

- Full time study (One Year / Three Trimesters)
- Malaysian student: RM 20,726.10
- International student: RM33 280.01
- Part Time study (Two Year/ Six Trimesters)
- Malaysian student: RM 21,072.01
