BACHELOR OF **ACCOUNTANCY** WITH HONOURS

**OCTOBER
Intake**

INTRODUCTION

The Bachelor of Accountancy with Honours programme aims to produce exceptional accounting graduates who can excel in every stage of their careers. We identify relevant parties who express interest in graduates' competencies to ensure that they make valuable contributions in the future. The curriculum focuses on building core knowledge of accounting, including financial reporting, taxation, auditing, accounting information systems, and other specialized areas. Graduates' competencies will continue to grow even after graduation, making them well-prepared for the job market and meeting firms' expectations for accounting graduates with diverse skill sets and knowledge. Additionally, the programme offers graduates the opportunity to advance in their careers by obtaining professional membership exemptions, which ultimately qualify them as Chartered Accountants.
